- People with disabilities: sensory (visual, auditory) challenges
- Other: *Click here to enter text.*

Part 3: What type of initiative is this (check all that apply)?

- Temporary Road Infrastructure Improvement
- Permanent Road Infrastructure Improvement
- Community Engagement
- Community Planning / Capacity Building
- Other: *Click here to enter text*

## Project Description

1. **Describe your project and the desired outcome.** *What activities do you propose to undertake? What is the justification and evidence supporting your proposed activities? Why is this project important to your community at this time? How was this issue identified as a problem?*
2. **Describe how your project relates to Vision Zero and the Safe Systems Approach.** *What change do you hope to make in the community, and how does this relate to the goals of reducing traffic-related injuries or fatalities in your targeted population?*
3. **Describe the steps to success for your project.** *What actions will project stakeholders take to successfully initiate and complete this project? What are the project timelines and milestones?*
4. **Describe your partnerships for this project (existing and in development).** *What community stakeholders will you collaborate with, and in what way, to successfully complete this project? Have you secured additional funding from other partners?*
5. **Describe the intended impact of your project on future road safety related action.** *How will your proposed project increase road safety and catalyze conversations about road safety in your community?*
6. **Describe the assessment process(es) or monitoring tool(s) you will use to measure your goals and activity indicators.** *How will you know if your project is achieving the desired impact?*

In Partnership With:

7. Describe your plans to maintain the impact of this project beyond the Vision Zero in Road Safety Grant funding? If your project requires upkeep or ongoing resources, how do you plan to ensure a sustainable impact?
8. Describe who will take the lead and provide support for your project to ensure it is a success.

## Project Budget

Project expenses must be reasonable in relation to proposed activities, and estimates well supported. Funding is limited. Please only ask for what is needed.

<u>Expense Description</u> <small>including basic details about projected expenses</small>	<u>Amount (\$)</u> <small>requested</small>	<u>Amount (\$)</u> <small>secured from other sources</small>	<u>Notes</u> <small>(e.g., details, additional breakdown, etc.)</small>
<b>Project Staffing Costs</b> <i>(Indicate staff positions, e.g., Project Coordinator, Contracted Services, Facilitator, etc.).</i>			
<b>Total Labour costs:</b>			
<b>Project Supplies/Services Costs</b> <i>(Indicate details below and in the notes section).</i>			

In Partnership With:

<b>Total Supplies/Services costs:</b>			
<b>Administration Costs</b> <i>(Cannot exceed 10% of requested funding. Indicate details below and in the notes section.)</i>			
<b>Total Administration Costs</b>			
<b>Total Project Costs</b> <i>(Total Labour, Project Supplies/Services, Administration Costs)</i>			

Please feel free to provide additional explanatory notes regarding your budget [text box].
